In the original publication of the article the acknowledgement was inadvertently missed however the acknowledgement has been provided in this correction and the original article has been corrected.

Acknowledgements We thank all the respondents of the survey and those who took the time to answer our additional questions. We are grateful to Conservation Corridor for advertising the survey in their newsletter and for providing a platform for our workflow and decision tree. We are thankful to Matt Hayward, Christopher Jordan, Rafael Reyna and Elodie Portanier for testing out initial versions of the survey,

and Katharina Westekemper for her valuable contributions in the early phases of this project.
