Handwritten text in a cursive script, likely a historical document or letter. The text is written on aged, yellowed paper and is oriented vertically. The script is dense and difficult to decipher due to its cursive nature and the condition of the document. There are some faint markings and a small grid-like symbol at the top right and bottom right corners of the page.

Handwritten text at the bottom of the page, possibly a signature or a date. It appears to be written in a different script or a specific dialect, and is partially obscured by the binding of the book.
