QUanquam noſtra parum Muſa eſt aſſueta Camœnis
Nec thalamis veſtris carmina digna canit
Attamen ad numeros veniunt hæc carmina juſtos,
Inque ſua intrepidus caſtra Poëta ruit.
Namque toris veſtris conſurgit tæda Patroni,
Noſque humiles animas excitat igne ſuo.
Hactenus inſignes mirata eſt Hala coronas
Quas meritis veſtris ſplendida fama dabat.
Hactenus intrepidi virtutum fata tuliſtis
Nunc Vobis fatum dulcia fata parat.
TV VENERANDE DEI PRAESES, templiq; MINISTER,
Flumina ſuadelæ quem pia nobilitant.

TV

TV gaudere potes nitidis felicior aſtris
Et generis genero ſerta parare tuo
Theiologum adjungis generi, qui dirigit aræ
Clavos & fidei, qui pia verba ſonat.
Tum Medicum natæ conjungis, amœna cadenti
Formæ, qui reddit pignora, ſerta comis.
Dulcia jam primæ decerpunt dona juventæ
Idaliæque ardent caſtra ſubire Deæ.
Accenduntque faces niveas junone ſecundâ,
Aſſiſtit teneris pronuba Flora tuis.
Sic pia feſtivis non deerunt vota coronis
Fuſa damus vobis vota piis precibus.
Nubite felices fauſtasque accendite tædas!
Et veſtras turbent funera nulla dies
Nubite felices! quos contraxiſtis amores
Rumpere nec fatum nec queat ulla dies!
Nubite ſecuri, fatorum & carpite longa
Gaudia, tota domus nidus amoris erit.
Jungite manu manum dextris innectite dextram
Sic ſe conjungent ſidera grata toris.
