Ceras, aviti stemmatis indices,  
Et plena fractis atria vultibus,  
Quin aera fumosasque patrum  
Spernimus effigies potentum:

Et quem tropaeis innumeris gravem  
Distincta gemmis ad Capitolia  
Longis revertentem triumphis  
Per populos vehit axis ingens.

Virtutis almae perpetuum decus  
Pulchrasque dotes pectoris ardui  
Miramur, illiusque alumnum  
Vnanimi celebramus ore.

Odit loquacis compita gloriae  
Plebeja; nam quem turba faventibus  
Evexit auris, fit caducae  
Ludibrium opprobriumque Famae.

Veros honores, verum animi decus  
Laudesque quaeris non dubias TIBI,  
Richtere, nobis o colendum  
Praesidium, decus et voluptas!

TE non profanae gloria laureae,  
Umbrata Grajis tempora frondibus,  
Cingit, triumphalique ferto  
Pulcher honos redimit capillos.

Sed TE ministra Relligio manu  
Ornat merentem: splendidius decus  
Admittis et celfos honores  
Insequitur generosa virtus.

O TE canendum! laxius explicas  
Laudis theatrum: consequitur novos  
Doctrina successus: citatis  
Gloria currit iter quadrigis.

TV dignus illis, Eusebies Decus  
TE sanctioris fama scientiae  
Transcribit astris et calefcens  
Ingenium studiis Minervae.

O qui salubris fons opulentiae  
Exuberanti vividus impetu  
Grassatur, et commota secum  
Corda rapax animosque volvit!

Sic TE fluentem leniter aureae  
Torrente linguae quilibet excipit,  
Vt Orpheum cum praefluente  
Attonitus stupet Haemus Hebro.

TE Fas Piumque et Iustitiae comes,  
Vtuncque sacrum laetus agis pedem,  
Candor cororant et fidelis  
Propositi studiofa Virtus.

Divina Virtus nudaque Veritas  
Et, nixa suavi pondere, Comitas  
TEcum hospitantur, TEque verae  
Condecorant monimenta laudis.

Hinc invidendis clarus honoribus,  
TVI laboris dulce lucrum capis.  
Hinc et TVAM Musis amicam  
Gaudet honor redimire frontem.

Laudum TVARVM plausibus insonat  
Freyberga laetis, Praeful Amabilis!  
Et vota civis quisque gaudet  
Iuncta piis dare vota votis.

Ergo repletum laetitia diem  
Aeternitati scribimus et simul  
Apramus oden, quam futuro  
Posteritas legat omnis aevo.

Vir digne cedro! maxima gloria  
Coetus sacrați! suscipe praemia  
Tot parta factis, ac honores  
Ante diu meritos, capeffe!

Florere semper TE jubeat, TVOS  
Laetis Penates plausibus impleat,  
Omni que donet TE salute  
Gratia larga Dei potentis!

Richtere! vivas et valeas diu!

Haec concitatis vocibus accinit

Freyberga, sunt haec vota nostra,

Et facilis Deus ipse spondet.

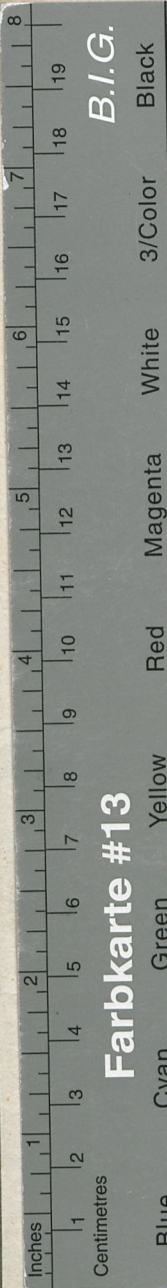

Floris semper TE ipse, TVOS  
Lactis Panaceis plausibus implere  
Gaudique ducit TE salus  
Gaudia laquei Te potentia!
