GESNERVS BARBARIEM CÆDIT, HVMO CONDIT,
 JUVENTUTIS SERVATOR.

Tempora non volvuntur ratione.
 Emergunt summa, concidunt extrema.
 Labuntur lente, expirant tumultuarie, negotia ingentia.
 Non observantur nexus,
 infinita lubrico lapsu intereunt.
 Tempora admirabiliter mutantur,
 eveniunt contraria intentioni.
 Dignitas virtutis insurgit.
 Truditur invita, vaga, torpida ignavia:
 terretur stupor nuper obvius.
 Convalescit sanum iudicium:
 Bene ominatur nobilis experientia;
 Tendit sursum ingenii vis quantocysus.
