VERLAG VON LEIPZIG

Candida lux salve, quae caelum missa per altum,

Hoc munus Bauaris Saxonibusque dabas!

Haec est, in cuius redeuntes pectore Musae,

Ingenii renouant eloquiique decus:

Quam Pater, et Coniux, et Natus ad aethera tollunt;

Secula nostra canunt, secula fera canent.

Aeternas lauros Antonia et Ermelinda,

Arcadiae fidus Saxoniaeque, geres.
