 M. IO. GOTTL. BIDERMANN, R.

FREIBERGAE, Litteris MATTHAEANIS.

LXVIII.

ALIMENTARIORVM puerorum nomen in numis et inscriptionibus Romanorum antiquis est peruulgatum. Prostat enim numus Imp. TRAIANI, anno post Christum natum CV. signatus, in quo matrona conspicitur, Cornu Copiae tenens, vestis laciniam laxans, et puero adstanti spicas porrigens; cui symbolo haec verba leguntur adscripta: S. P. Q. R. OPTIMO. PRINCIPI. infra autem: ALIM. ITAL. S. C. Quae XIPHILINVS hoc commentario illustrat: *ταῖς πόλεσι τοῖς ἐν Ἰταλίᾳ πρὸς τὴν τῶν παιδῶν τροφὴν πολλὰ ἐχρηματιστοῦ ἐνεργησῶν, ἢ ε. ciuitatibus Italiae multa largitus est ad educationem liberorum, in quos magna beneficia contulit.* Et hanc ob causam ita PLINIVS eundem laudat: a) *haec prima parvulorum ciuium vox aures tuas imbuit, quibus tu daturus alimenta, hoc maximum praestitisti, ne rogarent.* Summi huius Imperatoris exemplum praeclarum imitatus Imperator HADRIANVS, quod SPARTIANVS commemorat, b) *pueris ac puellis, quibus Traianus alimenta detulerat, adiciens liberalitatis incrementum.* Munificentiae autem erga pueros ac puellas inopia laborantes monumentum ANTONIVS PIVS ea moneta meruit, cui Pietas est insculpta, matronam vultu ac habitu referens, quae dextra manu orbem terrarum, imperii symbolum, tenet, sinistro autem brachio nudum infantem gestat, adstantibus duobus pueris, qui stipem petere videntur. Consentit inscriptio à GRVTERO seruata: c) T. AELI. HADR. ANTONINI. AVG. PII. PONT. MAX. TRIB. POT. XIII. IMP. II. COS. III. P. P. FILIO. PVERI. ET. PVELLAE. ALIMENTAR. Et ne obscurior PLAVTILLAE, coniugis Antonini, pietas videretur, anno post C. N. CCI. numus in illius honorem eudebatur, in quo Dea Pietas infantem altera manu gestat, altera hastam puram tenet. Quo symbolo, quod IO. HARDVINVS recte monet, d) Augustae studium erga alendos orphanos indicatur.

Non autem publici tantum magistratus publicam in educandos et sustentandos pueros liberalitatem expromebant; sed priuati etiam homines, fortunae dotibus instructi, ea nonnunquam praesidia legabant, quibus iuuenum bonae spei egestas subleuaretur. Inter alios C. PLINIVS CAECIL. SECVNDVS hoc praeclare merendi studio immortalitatem nominis sempiternam sibi comparauit. Hic enim quum audiret, ciues filios suos studiorum causa Mediolanum ablegare, quod nullos Comi praecipitatos haberent; parentes cohortabatur, ut liberis magistrum conducerent, stipendium sua ex re familiari illis promittens. Digna omnino sunt illius verba, animum pium et honestatis studiosum spirantia, quae hoc loco repetantur: e) *nihil honestius praestare liberis vestris, nihil gratius patriae potestis.* Educuntur hic, qui hic nascuntur, statimque ab infantia natale solum amare et frequentare consuescant. Atque utinam tam claros praecipitatos inducat, ut à finitimis oppidis studia hinc petantur, utque nunc liberi vestri aliena in loca, ita mox alieni in hunc locum confluant. Non autem solum promississe PLINIVM, sed promissis etiam stetit, ea inscriptio docet, quae Mediolani in aede D. Ambrosii legitur, f) cuius haec sunt verba extrema: DEDIT. IN. ALIMENTA. PVERORVM, ET.

a) ex Dion.

b) in vit. Hadr.

c) Inscript. p. 1022. nu. 6.

d) in Opp. Select. p. 802.

e) L. IV. Epist. 13.

f) vid. Iac. Thomassii edit. Epist. Plin. p. 69.

ET. PVELLARVM. PLEB. VRBAN. H. S. ccc. IN TVTELAM. AVTEM. BIBLIO-
THECAE. H. S. c.

Haec dum legendo repeto et animo complector, ea beneficia in memoriam reuoco, quae scholam Freibergensem inprimis commendant. Inter quae conuictus ille liberalis haud postremum occupat locum, qui singulis diebus ex legato ECCARDO-RICHTERIANO sex adolescentibus alimentariis praefatur, et cuius beneficii anniuersaria recordatio hodie publice est recolenda.

Vti vero PLINIUS, quod iam vidimus, iuuenes bonae spei non solum alimentis iuabat, sed etiam bibliothecam munificentia sua amplificabat: ita nostrae etiam scholae bibliotheca habet, quod beneficentiam Viri Praenobilissimi, Amplissimi et Consul-tissimi, MICHAELIS LEVBII, Pot. Reg. Pol. et Elect. Sax. à Commissionibus Consiliarii, publice praedicet, et in exemplum imitatione dignissimum proponat. Hic enim pro sua erga Musas Freibergenses voluntate supellectilem librariam scholae nostrae insigni multifariae doctrinae adparatu auxit, LEXICON VNIVERSALE, quod formae maioris LXVIII. Voluminibus continetur, largiendo. Quo nomine optimus hic et litterarum et litteratorum Fautor publicum grati animi monumentum meretur. Neque nos fegnes ad exsoluendum hoc pietatis officium futuri essemus, nisi modestia beneficioris obstaret, quae veram laudem non nisi ex recte agendo metitur. Nihil igitur, praeter poëtae verba addo: g)

NON QVAERIS TV LAVDE LICET DIGNISSIME LAVDEM.
EST INTER LAVDES HAEC PROPE SVMMA TVAS.

Iam vero, ut etiam ostendamus, verba PLINII supra adlegata, reuera in scholam Freibergensem conuenire, et *alienis idemtidem ex locis huc confuxisse*, qui studii litterarum operarentur, indicem nuper interruptum eorum persequamur, qui extranei in discen-tium numero hac in schola sunt versati:

Hic filium abrumpo, quod alio tempore pertexetur, atque ad eos me refero, qui cras in publicum prodire, et abitum in academiam meditantibus, pietatis obsequium exsequi constituerunt. Et primo quidem loco

IOHANN IESAIAS KREBEL, *Naumburg. Mifn.*

qui beneficiis Freibergensium non subleuatum, sed cumulatum sese sentit, memoriam legati ECCARDO - RICHTERIANI renouabit, oratione Teutonica ostensurus, *maiori honore dignum esse, qui animos, quam qui urbes expugnat.* Porro

CHRISTIAN GOTTLOB KLEMM, *Schwarzenberg. Mifn.*

prius, quam penates Freibergenses, quos multos per annos beneficos et liberales expertus est, relinquat, animum pium et gratum declarabit, *de vera animi magni indole patrio sermone praefatus.* Tandem

FRIDR. LEBRECHT KLINGSOHR, *Freibergensis,*

ut scholae legibus satisfaciatur, partes boni et honesti ciuis exsequatur, et regulam prudentiae sequatur: omnia tunc bona sunt, clausula quando bona est; oratione Latina, *fortunam plerumque prudentia esse superiorem,* demonstrabit. Hos academiae candidatos commilito coniunctissimus,

Maurit. Erdmann Engel, Chemnic.

votis religiosis prosequetur, praemisso carmine germanico fani coloris et grati saporis, ad illustre illud exemplar expresso, quo Virgilius *dolorem et desperationem Didonis ob discedentem Aeneam* (Aeneid. IV. 584. 705.) decantauit.

Ego autem uti praeuideo, VOS, FAVTORES LITTERARVM ET PATRONI, summa cum obseruantia colendi, abituros commilitones iisdem cum Didone verbis admonituros: *date vela, impellite remos!* ita non dubito, quin cras, hora ante meridiem nona, ad audiendum beneuole conuenturi, et Vestra praesentia, quam exoramus, ad audendum eos fitis instigaturi. P. P. *Freibergae,* d. XXVI. Iun.
