Il y a en des hommes, qui la celebration de tels Jubiles ont fort diffuade, puis que plusieurs fois plus de desordres et quelque sois plus de petulance se passe, que l'on apporte sacrifice d'action de grace et des louanges à Dieu tout-puissant. Le son des trom, petes et timbales et autres exterieurs marques de joye leurs sont scandaleuses. Mais, le son des trompetes et timbales n'est pas par soi meme coupable et il sert à Vein , Seigne cela, que la populace, qui aime telles marques de joie, qui penetrent les yeux et les oreilles, servit excité. Outre cela on dit en proverbe: propter abufum non tollenous est volus. C'est pourquoi les états chrétiennes ne font pas mal, qu'ils celebrent les jours, aux quels dien le tout-puissant leurs a donne grandes et particuliers bienfaits en spirituels et corporels, disent au seigneur peut pus Dien louanges et graces avec grand son. La ville de Wernigerose a seja cing fois celebre un Jubile en leurs murs, depuis le commencement de ce siècle. Le premier el le a fait l'an mille sept-cens dix-sept le trente vni éme du mois d'Octobre commun avec toute l'eglife Lu, therienne, à cause de la reformation de la doctrine chrétienne heuresement commence par feu le docteur Luther. Le second Jubile elle a celebre l'an mille fept - cens et trente, à cause de l'exhibition d'evange lique confession de foi au assemblee des états de l'em, pire à Aufbourg. In proverbio alias dicitur: in invitum non confertur beneficium. In scholis hoc sit quotidie. Ex incunda parte, si adspeziris scholam, apparet tamquam viridarium.
