AGREEMENT BETWEEN HIS MAJESTY'S GOVERNMENT IN
THE UNITED KINGDOM AND THE TURKISH GOVERNMENT
RESPECTING TRADE AND PAYMENTS, WITH PROTOCOL
AND PROTOCOL OF SIGNATURE.

Angora, June 4, 1935.

THE Government of the United Kingdom of Great Britain and Northern Ireland and the Government of the Republic of Turkey, desiring to facilitate the commercial relations between the two countries and having regard to the exceptional economic conditions which have made it necessary for Turkey to apply to all other countries the principle of the balance of payments, have agreed as follows :—

ARTICLE 1.

(1) The United Kingdom goods enumerated in the First Schedule to this Agreement will be permitted to be imported into Turkey without any restriction as to quantity, and the United Kingdom goods enumerated in the Second Schedule to this Agreement will be permitted to be imported into Turkey up to the quantities specified in the Schedule for each article.

(2) United Kingdom goods other than those specified in the preceding paragraph will enjoy the benefit of the general quota régime in force in Turkey.

(3) In addition—

(a) All United Kingdom goods landed on Turkish territory before the 15th May, 1935, and not cleared through the Turkish Customs at that date, and

(b) all United Kingdom goods, other than goods prohibited to be imported under the general quota régime in force, landed on Turkish territory between the 15th May, 1935, and the date of the coming into force of this Agreement, and not cleared through the Turkish Customs at the latter date,

owing to insufficiency or absence of quotas will be permitted to be imported into Turkey, when this Agreement comes into force, without any restriction as to quantity and independently of the provisions of paragraphs (1) and (2) of this Article.

With regard to (a) and (b) above, goods of the kinds enumerated in the List "V" annexed to the Turkish Decree No. 2/2004 of the 17th February, 1935, will only be permitted to be imported into Turkey under permits issued by the Turkish Government Departments concerned.

04SA 1777 (19)

ARTICLE 2.

The Government of the United Kingdom undertake that, in the event of their deciding to regulate the quantity of the imports into the United Kingdom of any agricultural products of Turkey, they will not make allocations between countries of total permitted imports without first giving the Turkish Government an opportunity of discussing the matter with a view to the allocation to Turkey of an equitable share of the permitted foreign imports.

ARTICLE 3.

United Kingdom goods purchased by the Turkish Government or by the Departmental and Municipal Authorities in Turkey will be permitted to be imported into Turkey without any restriction as to quantity, provided that the importation of goods of the kind in question is not prohibited under the general quota régime in force, and provided that any necessary prior permit from the Turkish Government Department concerned is obtained.

ARTICLE 4.

(1) The Turkish goods enumerated in the Third Schedule to this Agreement shall not on importation into the United Kingdom from whatever place arriving be subjected to duties or charges other or higher than those specified in that Schedule.

(2) The Turkish Government will consider sympathetically any proposal of the Government of the United Kingdom for replacing in whole or in part by specific duties any of the *ad valorem* duties or by an *ad valorem* duty the specific duty set out in the said Schedule.

ARTICLE 5.

(1) All United Kingdom goods exported to Turkey after the coming into force of the present Agreement must, in order to be permitted to enter Turkey, be accompanied by a certificate of origin in duplicate, conforming to the specimen annexed to this Agreement, issued by a Chamber of Commerce or other competent authority in the United Kingdom and visaed by a Turkish Consul.

(2) The certificate of origin will indicate the f.o.b. value of the goods in the United Kingdom.

(3) One copy of the certificate of origin will be stamped by the Turkish Customs and sent to the Central Bank of Turkey, which will make payment to persons in the United Kingdom to whom the payments for the goods are due in accordance with the provisions of Articles 6 and 7 of this Agreement.

ARTICLE 6.

on the due date in a special account at the Central Bank of Turkey :—

- (a) the balance remaining to be paid under the exchange of Notes of the 1st April, 1935, between His Majesty's Ambassador at Angora and the Minister for Foreign Affairs of the Republic of Turkey, for United Kingdom goods of the kinds enumerated in List "A" annexed to Turkish Decree No. 148 and exported from the United Kingdom before the 15th February, 1935;
- (b) sums due in respect of United Kingdom goods imported into Turkey under the provisions of paragraph (3) of Article 1 of this Agreement; and
- (c) sums due in respect of United Kingdom goods exported to Turkey after the coming into force of this Agreement.

(2) The sums in Turkish pounds thus deposited will remain blocked in favour of persons in the United Kingdom entitled thereto until such time as transfer to such persons is effected through the sub-Account A referred to in Article 7. Any difference of exchange between the day of deposit and the day of transfer will, except in the case of payments in respect of the goods referred to in sub-heading (a) of paragraph (1) of this Article, be credited or debited to the debtor in Turkey, who will thus pay the full sterling amount due.

ARTICLE 7.

(1) All sums due from persons in the United Kingdom to persons in Turkey in respect of Turkish goods imported into the United Kingdom shall be payable in sterling on the due date to a bank in the United Kingdom designated by the Central Bank of Turkey, and shall thereupon be credited to a special non-interest bearing account (hereinafter referred to as the "Sterling Account") to be opened by the Central Bank of Turkey at the said bank. The Turkish Government will do their best to secure that any such sums which, notwithstanding the provisions of this paragraph, are paid direct to persons in Turkey shall also be credited to the Sterling Account, it being understood that the Turkish Government will not be liable in this connection for any loss arising out of difference of exchange between the date of payment of any sum and the date it is credited to the Sterling Account.

(2) Of the sums received into the Sterling Account, 70 per cent. will be transferred to a sub-Account A and the remaining 30 per cent. to a sub-Account B.

(3) The sums referred to in Article 6 of this Agreement shall be transferred in sterling to the persons in the United Kingdom entitled thereto in the chronological order of their deposit, and within the limits of the sums available in sub-Account A.

(4) The sums transferred to sub-Account B shall be at the free disposal of the Central Bank of Turkey.

ARTICLE 8.

(1) The Turkish Government will arrange that the persons in Turkey referred to in paragraph (1) of Article 7 of this Agreement shall notify their respective debtors in the United Kingdom that the debts for which they are liable will be deemed to have been satisfied by payment in accordance with that paragraph.

(2) The United Kingdom Government will take steps to bring the above procedure to the knowledge of the persons concerned in the United Kingdom and will use their influence to promote the general adoption of the procedure.

ARTICLE 9.

The Central Bank of Turkey will, at the end of each month, supply to the bank in the United Kingdom selected by the Central Bank of Turkey for the purposes of Article 7 of this Agreement full particulars of the amounts deposited in the Central Bank in accordance with Article 6 of this Agreement and of the amounts still awaiting transfer to persons in the United Kingdom. The said bank in the United Kingdom will be authorised to communicate these particulars and also the details of sub-Account A to the United Kingdom Government.

ARTICLE 10.

Any sums standing to the credit of sub-Account A or sub-Account B on the termination of this Agreement will be utilised as provided in paragraphs (3) and (4) of Article 7 of this Agreement.

ARTICLE 11.

(1) Subject to the provisions of paragraphs (2) and (3) of this Article, the Turkish goods enumerated in the Fourth Schedule to this Agreement and any United Kingdom goods will be permitted to be the subject of private compensation transactions between persons in Turkey and persons in the United Kingdom.

(2) In respect of each transaction under paragraph (1) of this Article, the f.o.b. value of the United Kingdom goods imported into Turkey shall not exceed 70 per cent. of the f.o.b. value of the Turkish goods imported into the United Kingdom, the balance of 30 per cent. being payable by the persons in the United Kingdom concerned into the sub-Account B referred to in Article 7 of this Agreement.

(3) Such private compensation transactions will be subject to any quantitative restrictions on imports which are or may be imposed in conformity with the provisions of Articles 1 and 2 of this Agreement, and also subject to the laws and regulations in the United Kingdom and Turkey affecting the goods concerned.

ARTICLE 12.
